Accommodation in the Port Macquarie region

Port Macquarie's accommodation capacity is amongst the largest in regional NSW, offering a range of quality accommodation to suit every taste and budget. There are more than 1,900 rooms in the CBD alone, the majority of which are within walking distance of our most popular event precincts. Further afield, the region has a number of well-appointed B&Bs, motels, retreats, farmstays, caravan and campgrounds set in a nature-lovers paradise. Within a short, scenic drive of the CBD are the spectacular waterways and villages of the Camden Haven to the South, Wauchope to the West, and Telegraph Point to the north.
